P.S. Grass roots organizations are the only ones America will ever get back on its feet. Life Human Life is what we are all about! The Big Corporations are only interested in their profits. We have become educated fools, forgetting the simple way of life are the best. Everything man created is not good! Our Agency should pay for guidance fairness for the bulk of Society!

TO ALL CONCERNED RESIDENTS OF
BILLERICA:

Iron Horse Park Industrial complex, located off High Street, has been declared by the EPA as a "Superfund Site". The Superfund Action Committee would like to see immediate steps taken to expedite the clean-up. A sustained campaign of letters and phone calls is one way to achieve this goal.

Your letter will bring us one step closer to the ultimate goal--
"CLEAN UP IRON HORSE PARK".

Please clip and mail this letter today.

No concern is greater to me
than the life of my children, this
includes, like all children, the
air they breathe. The time is now
to take care of this situation.
